March 16, 2025 - Please plan to attend the upcoming Public Meetings regarding the Cottonwood Sand Mine major use permit application. The **Valle de Oro Community Planning Group will hold a special meeting on Tuesday, March 18, 2025, at 7:00pm at the Rancho San Diego Library** to hear the community's input. They are tasked with submitting a formal recommendation (to approve or not approve the sand mine MUP application) to the County Planning Department by March 23, 2025. This recommendation, along with the County of San Diego's Planning Department Services recommendation, will then be presented to the Planning Commission. The Planning Commission will decide whether to approve or not approve the sand mine operation permit application. The **Planning Commission hearing regarding Cottonwood Sand Mine is scheduled for Friday, April 18, 2025, at 9:00am at the County Operations Center Hearing Room, 5520 Overland, San Diego, California 92123.**
